The logo consists of two stylized, overlapping shapes: a vertical rectangle on the left and a curved shape on the right, both in a light blue color.

JENSEN LOCALIZATION

Our clients

We work with leading companies in the following industries:

- Office applications (text processors, spreadsheets, slide shows).
- CRM software.
- Computer-related products (computers, printers, scanners, MFP, routers).
- Electrical devices (digital cameras, DVD-players, TV sets).
- Telecommunications (cell phones, PDAs).

The logo consists of two stylized, overlapping shapes: a white vertical rectangle on the left and a white curved shape on the right, resembling a stylized 'J' or a speech bubble. The background of the slide is a light blue world map.

JENSEN LOCALIZATION

Our clients

- Household devices (washing machines, fridges, microwaves, mixers).
- Medical software and hardware.
- Aviation.
- Heavy machinery.
- Automotive industry (cars, trucks, tractors, forklift trucks).
- Real estate agencies.
- Online training courses.

The logo consists of a stylized lowercase 'j' and 'l' in a light blue color, positioned to the left of the company name. The background of the slide is a light blue world map.

JENSEN LOCALIZATION

Advantages of choosing Jensen Localization

- Jensen Localization has been included in the 2012 Top 100 of global language service providers made by the independent market research firm Common Sense Advisory and in the Top 35 of Western European LSPs in 2013, 2015, 2016 and 2017.
- One-stop-shopping! Only one vendor for all languages enables you to focus on your more important core activities without the hassle of dealing with several suppliers.
- All our clients get a dedicated (personal) PM that handles all their requests.

JENSEN LOCALIZATION

Advantages of choosing Jensen Localization

- Work with a highly professional and international Project Management team.
- High capacity for big volumes.
- Completion check.
- Timely delivery.
- Quality assurance.
